But you suit us.

The solemn person had his spitter and all of his foolers working in creat style and Sharon never had a hance to beat him. Twelve 'rusky ocals fanned the breeze in trying to solve the Fox delivery. Only six sentering blows were secured off his deivery. Malarkey for the locals also oitched magnificent balt, The eight nits secured by the Lime Burners vere kept well scattered and had not the errors been made the game might have been going on yet. In the pinches which were quite num-

erous, "Mul" was invincible. For eight innings there was nothing doing for either side. The Sharonites were kept from becoming too dangerous by Fox's great work on he hill and by circus catches by Daubert and Quinn, Malarkey was helped out by a hole by Kerr's great catch in left. In the first half of the ninth with Mylett and Lucas on, illy. Collins allowed a grounder to go past him to the fence and Welchon dropped an easy fly while Lucas and Mylett counted, Sharon was not dangerous in its half.

When Gerard Beekman died it was bequeathed to his son, William, the grandfather of the present owners. That part of the will which relates to the coach was framed and still bangs in the Beckman homestead at Ovstor Bay. It reads:

"To my son, William B., I bequeath my coach, trusting he will preserve it as my other children think it too old fashioned to have around. Dated No-

vember 3, 1801." The vehicle is built of mahogany and is elaborately carved in relief. The blue scroll painting is still visible over all the framework. The body rear wheels are six feet in diameter.

The coach is so high from the ground that three steps are necessary; block of iron ten inches square. On the doors at each side is still visible the coat of arms of the Beekman fam-

lined with heavy gray felt which is hadly torn and mothenten.

S.S.S. CHRONIC ULCER!

Chronic Ulcers are the result of a deeply polluted and foul blood supply. The blood is filled with impurities and germs which are being constantly fed into the place through the circulation, until all the surrounding flesh becomes diseased and the sore an obstinate and permanent trouble. Every symptom of an old nicer suggests pollution; the discharge, the red, angry looking flesh, the inflammation and discoloration of surrounding parts, all show that the ulcer is prevented from healing by the constant drainage through it of impurities from the blood. This impure condition of the blood may be hereditary, or it may be the remains of some constitutional disease, or the effects of a long spell of sickness, leaving disease germs in the system, or the absorption of the refuse of the body which has not been properly that the place, and the sore cannot heal. Salves, plasters, lotions, etc., keep the sore or ulcer clean, relieve pain, and perhaps reduce inflammation, but can never permanently heal them because hey do not reach the blood. S. S. S. goes down to the very fountain-head of the trouble, drives out all poisons and germs, builds up the weak, sluggish Blood, gives energy and strength to the system, and by sending a fresh, healthy arream of blood to the diseased parts, allows the ulcer to heal naturally and permanently. Nothing reaches inherited taints like S. S. S. It cleanses the circulation of every trace of hereditary disease or impurity, and those who have nursed and treated an old sore for very swill experience goed results as goon as the system becomes Chronic Ulcers are the result of a deeply polluted and foul blood supply hereditary disease or impurity, and those who have nursed and treated an old sore for years will experience good results as soon as the system becomes influenced by S.
